We, **Freaquer Corporation Private Limited**, the original developer, manufacturer and owner of the intellectual property of **MultiFusion**, hereby authorise **Acme Vision Systems Pvt Ltd** (partner code MFP-26-0001) to submit a bid, negotiate and conclude a contract with you for the supply of the following MultiFusion products against the tender referred to above:

#	PRODUCT	SCOPE FROM THE MANUFACTURER
1	MultiFusion Server	Software licence with updates and OEM product support for the licence term
2	MultiFusion ANPR	Software licence with updates and OEM product support for the licence term
3	MultiFusion MLFF & ATMS Modules	Software licence with updates and OEM product support for the licence term
4	MultiFusion Analytics Worker	Software licence with updates and OEM product support for the licence term

Manufacturer's undertaking. For the products supplied through the authorised partner against this tender, Freaquer Corporation Private Limited will provide the licences, product updates and OEM product support for the licence term purchased, on its standard licence terms.

TERMS AND CONDITIONS OF THIS AUTHORISATION

- This authorisation is issued only for the tender identified above (GEM/2026/B/7712045) and the buyer named in it. It may not be used for any other tender, buyer or purpose, and it may not be assigned or transferred.
- It is valid until **24 February 2027**, or until the tender is awarded, cancelled or withdrawn, whichever is earlier. Freaquer Corporation Private Limited may revoke it earlier by notice; its current status can always be checked online.
- Acme Vision Systems Pvt Ltd is authorised to quote for, supply and support the products listed above. The partner is responsible for its bid, prices, delivery, installation, training and any services it offers, unless those services are ordered from Freaquer Corporation Private Limited separately.
- Freaquer Corporation Private Limited will provide the licences in the buyer's name, product updates and OEM product support for the licence term, on its standard licence terms and the product datasheets published at multifusion.in.
- This letter does not create an agency, joint venture or partnership, and the partner cannot bind the manufacturer to any term beyond those stated in this letter.
- Any alteration makes this letter invalid. A letter is genuine only if its verification code shows it as valid at the address below.
- This authorisation is governed by the laws of India.
